

Create Impressive Service-Learning Presentations

Do you find yourself using the same old overheads for your Service-Learning presentations? Ever wish you could create the best presentation possible on Service-Learning? Now you can. The "Presenter's Toolbox" CD-ROM makes it easy to handle multimedia presentations like a pro. Everything you need to showcase Service-Learning is in this 2-disk set.

Disk One, Presenter's Toolbox, contains 170 slides of useful information about Service Learning: a Historical Perspective, Service-Learning Basics, National Research, Great Quotes and methods to Integrating Service-Learning into the Curriculum. This, and much more, is offered in a ready-to-use format - so you can easily create an informative, authoritative Service-Learning presentation.

Disk Two, Creating Hearts of Service/Service-Learning in Iowa, contains a full-screen, full-motion video program that

highlights recent Service Learning success stories in Iowa schools. These interesting video segments and professionally designed graphics can help make your presentations come alive!

Presenter's Toolbox is user-friendly. All materials are presented in both the Macintosh and PC versions of the Microsoft PowerPoint environment. Each CD-ROM requires either a Pentium PC with 32 MB of RAM or a PowerMac operating System 7.5 or higher. Use the convenient form below and order your copy of "Presenter's Toolbox" today.

"Presenter's Toolbox" was produced through a federal grant from the Corporation of National Service (CNS), Department of Service-Learning, Learn and Serve America made to the Iowa Department of Education.
